

The Drunkard

**Once, there was a man who used to drink alcohol
all the time.**

In India drinking is considered a great sin so his friend said...

If you drink you will go to hell!

Hearing that, the man said...

**Then your father
will also go to hell!**

Oh!
My brother also
drinks.

**Then he will
also go to hell!**

**In this way, he continued to say my brother drinks,
my sister drinks and so on....**

And his friend kept replying....

**Yes, they will
also go to hell!**

Hearing that everyone will go to hell, he said...

**Oh! Then this
hell is like heaven!**

Because if we are all drinking here and enjoying together, we can all drink there and enjoy together. In that case even hell will be heaven.

MORAL:

This is the typical mentality of the atheists. They have no idea of the kingdom of God. Their idea of pleasure is simply a relief from suffering. But in actuality, pleasure is internal bliss which is obtained by devotional service.
