

The Frogs

in the Pot

Once, two frogs fell into a milk pot.

They started drowning.

They both struggled to come out...

After some time, one frog gave up and drowned...

While the other frog, however, was more determined and he kicked and kicked, despite of the hopeless situation.

But due to all this kicking in the milk, a hard lump of butter was formed...

and by standing on the lump, the frog was able to jump out of the pot.

MORAL:

This story shows us the value of determination. Many people give up due to difficulties. But one must always be determined and not lose hope because God has his own mystic ways to help us.
