

The Lazy Men

**Once there was a king
who wanted to find
the laziest man.**

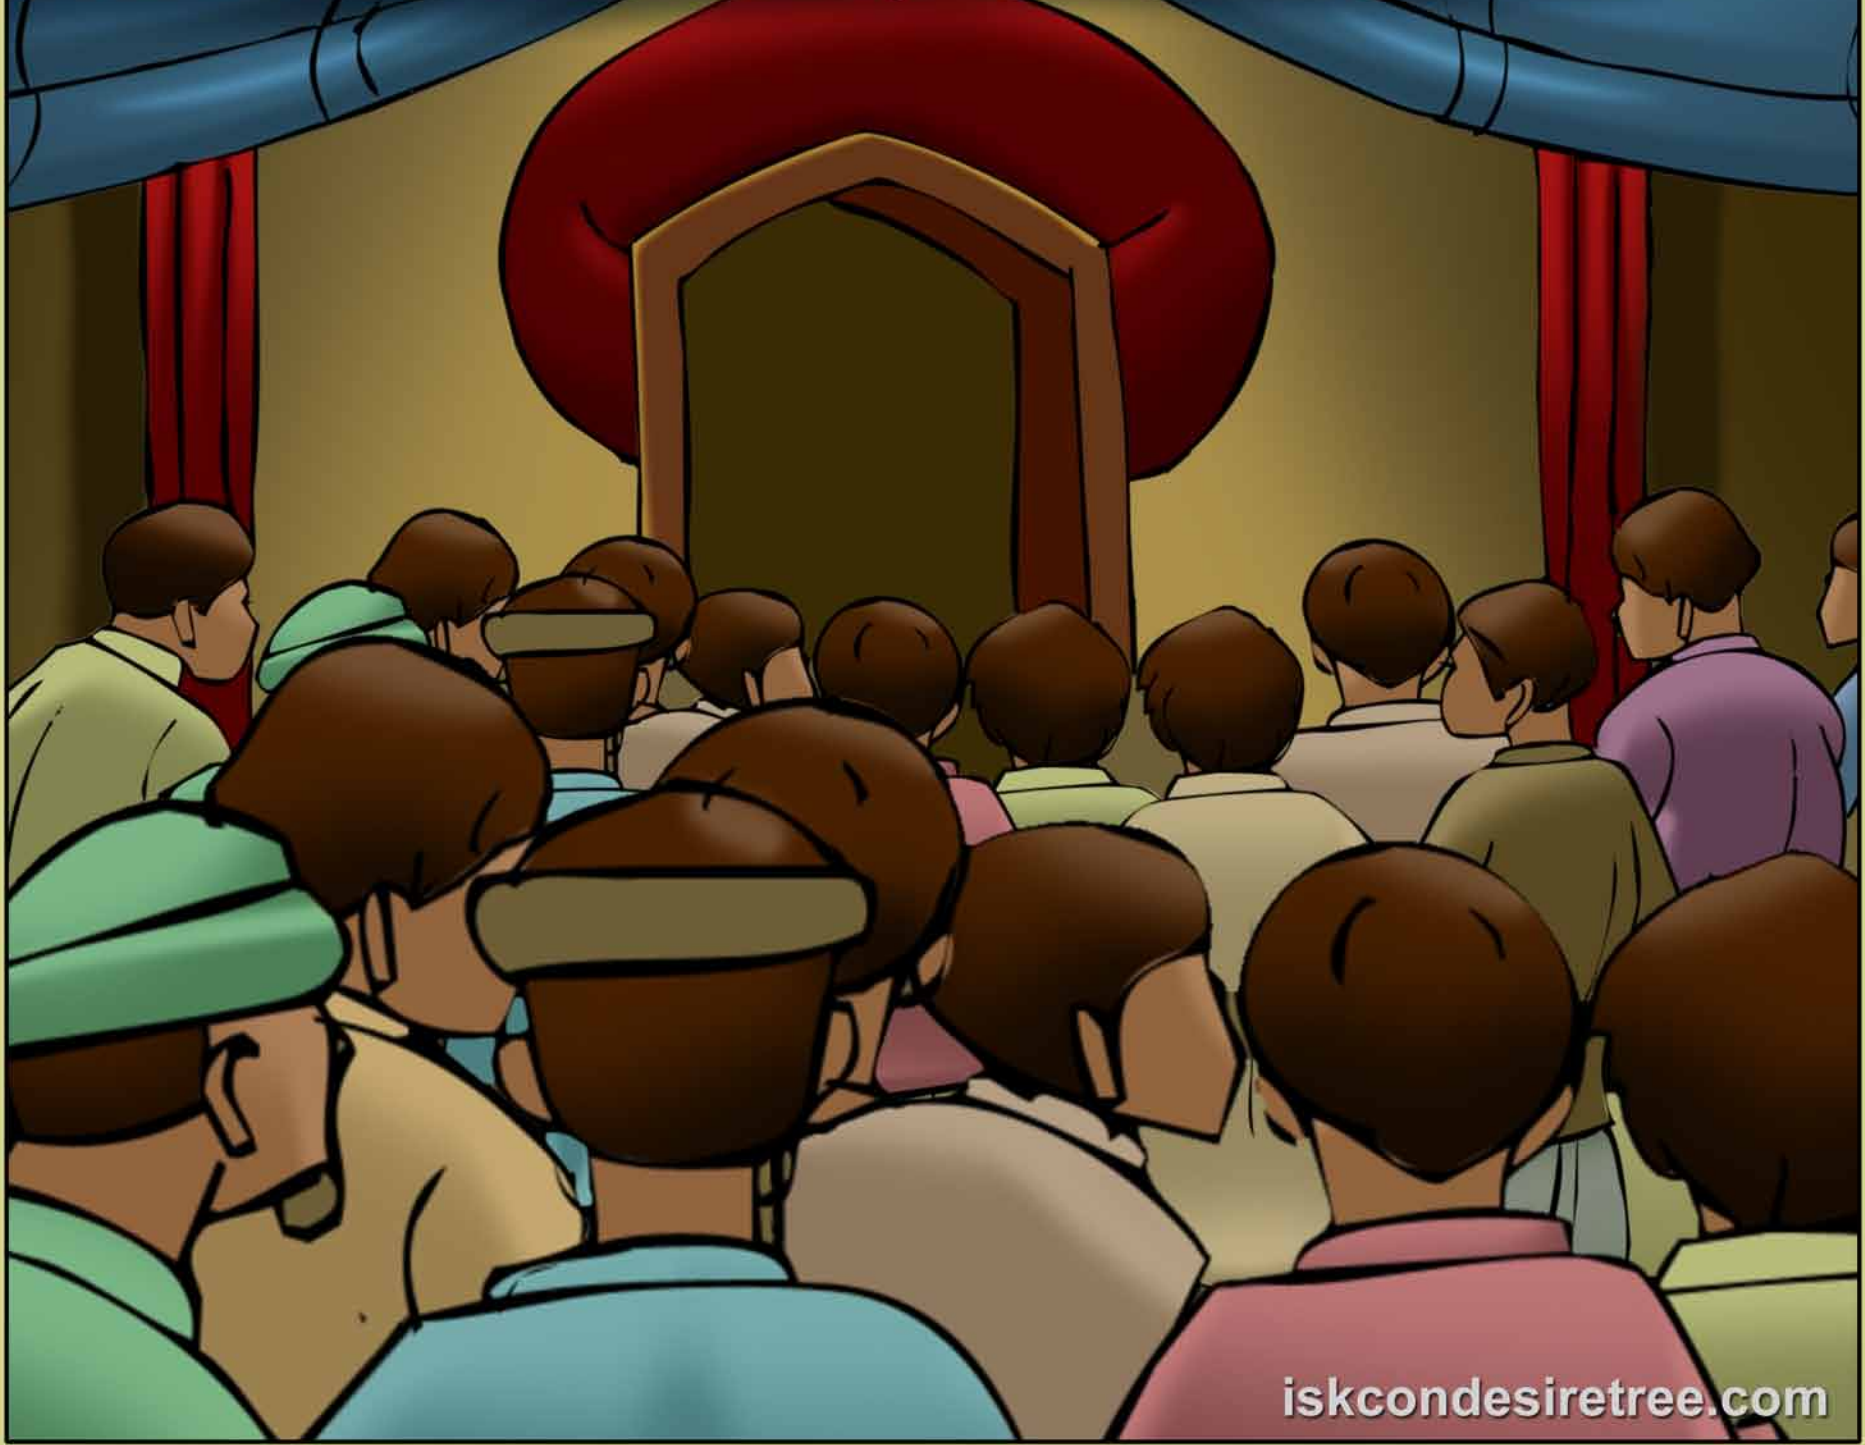

**There is an
announcement...**

The king wants to organize a feast for all the lazy men in the village. So, all the lazy people are invited.

**Hundreds of people assembled in the charity house.
Each one claimed to be lazy.**

**Set fire
at the charity
house.**

**Yes
master.**

Everyone except two men ran out. The building was burning but these two men would just not budge.

**My back feels
so hot!**

**Just turn
over to the other
side.**

**So we found
the real lazy men! Rest
were here for free meals.
Please feed the lazy bums
as much as you can.**
