

# *The Liberal Aunt*

**An orphaned boy was raised with great love and affection by his aunt.**

**Eat more, my son.  
The sweets are made  
with pure ghee.**

The boy had bad company in his school. The aunt knew this but out of loving sentiments did not correct him.

**Through bad association, the boy became a thief.**

He used to share stolen jewelry with his aunt.

I like that  
red ruby necklace  
very much.

**Please take  
it as a gift.**

**The aunt encouraged him....**

**What you do is  
great, my son!**

**You are bringing  
so many things without  
much labour.**

**In time the boy became a murderer.**

Ultimately he was captured and sentenced to be hanged.

**You are about to be hanged. What is your last wish?**

**My last wish is  
to speak with my aunt  
who has taken care  
of me all my life.**

**Oh! My poor kid.  
How unfortunate.**

**Aunt please come close to me. I want to tell you an important secret in your ears as my last wish.**

**Sure my kid.**

She leaned forward to hear. The nephew suddenly bit her ear.

Oh! My god  
what are you doing?  
Leave it!

He then rebuked his aunt....

**My dear aunt, instead of showing your so called affection, you should have chastised and corrected me. Because you did not do so, I have lost everything.**

If you would have showed me the right path, I would not be where I am today. And, you wouldn't have to lament over the loss of your ear either.

# ***MORAL:***

***Acts of charity should be performed in knowledge, not in ignorance.***
