

# *The DEAF MAN*

Once, there was a deaf man who telephoned his wife...

**Come here soon!  
I need to tell you something  
important.**

**The wife would reply...**

**I am  
coming.**

**But the deaf man  
could not hear her...**

**So he thought...**

**Hmmm...  
My wife is deaf!**

# ***MORAL:***

**This story is similar to the mass of people who are brainwashed by the material illusion and yet accuse Krishna conscious people of being brainwashed.**
