Please don't forget  
to come to my parents'  
place in the evening  
after your office.

A woman with dark hair, wearing an orange dress and a green shawl, stands in a room with patterned curtains. She is smiling and looking towards the camera. A man in a grey shirt is kneeling in front of her, drinking from a large clear plastic water bottle. A purple speech bubble is positioned above the man, containing text. In the background, there is a wooden shelf with several framed pictures and a small decorative item.

We have been invited for the 60th appearance day of my father. We will be able to meet many relatives.

I don't  
want to come. It is an out and out  
"karmi" affair.

*If we do not go when we are in town, my parents will misunderstand and feel bad about it.*

A man with dark hair and a serious expression is shown from the chest up, wearing a white t-shirt. He has his right hand raised, palm facing forward, in a 'stop' gesture. A purple speech bubble is positioned to his right, containing the text 'If you are so anxious you go. Don't involve me!'. The background is an indoor setting with a white wall, a framed picture on the left, and a wooden cabinet with shelves on the right. The lighting is somewhat dim, typical of an indoor home video.

If you are so  
anxious you go.  
Don't involve me!

Let us ask our Counselor.

The Counselor advised the couple to attend the function and make Uma's parents happy. He also suggested that since Umesh is a good singer of kirtans , he should sing a few bhajans and use the occasion for preaching.
